The COLLECTION

**W**ith a dedication to the tradition of fine whipmaking and aesthetic performance, WHIPCRAFT is your exclusive acteur in the field of sublime whipcrafting.

All items are hand made in our workshop from start to finish, using the very best materials available.

#### **HANDCRAFTED PERFECTION**

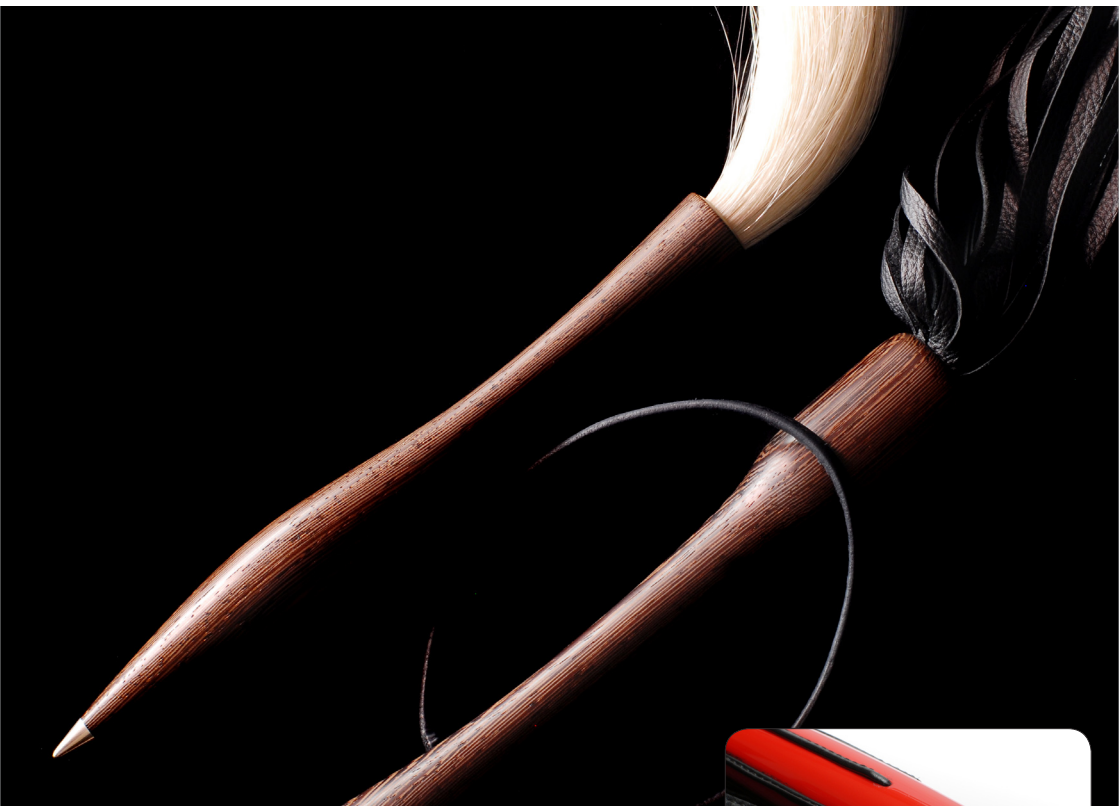

Every item from WHIPCRAFT is hand made from original designs. Our philosophy is to combine classic craftsmanship and beautiful materials to create aesthetic pleasure. The tools are no longer just accessories to play, but an integral part of it. Visual pleasure and physical ecstasy is the ultimate goal - where individual and tool merge into one.

The COLLECTION

**T**he artist behind the designs is sculptor Troels Jespersen. He specializes in wood and is known for using tools and techniques which combine the very best of every type of woodwork. He is renowned for the enthusiasm and burning passion he brings to his work and for his strongly uncompromising spirit. Welcome to the world of WHIPCRAFT.
